### The Go-to guide to Armory Arts Week

POST-WAR & CONTEMPORARY ART | ART NEWS & REVIEWS | MARCH 2, 2015

Our intrepid reporter Paul Laster outlines all the events, openings, and information you need to get the most out of what this global art capital has to offer

There are as many events around Armory Arts Week as there are exhibitors at the fairs. Searching for the liveliest things to do takes endless hours, so Art Digest has done it for you. From talks and performances to openings and parties, we've curated a list of events for each day of this busy week to feel as if you have the ground covered.

#### **Richard Prince: Fashion**

Nahmad Contemporary, 980 Madison Avenue, Opening reception: 6 to 8pm  
The first exhibition to bring together all nine of the artist's iconic fashion photographs of appropriated advertising imagery that question ideas of authorship, originality, and authenticity.
